

Hinged Curtain Rod

Hinged Curtain Rod by Comfort Designs

Dedicated to making bathing safe and easy is the priority of Comfort Designs. The innovative design of the Hinged Curtain Rod pivots open from the center. This allows the overhead lift system complete entry and exit, eliminating the need to transfer a resident. This will give residents and caregivers peace of mind while bathing and reduce the risk of injuries.

Features

- Adjustable length: 59" to 60.5"
- Made with stainless steel
- Available in two finish types: Polished Chrome & Satin
- ADA Compliant
